COMMON AREAS

—

We are located in the quiet settlement of Tselentata (3km. away from cosmopolitan Fiscardo port) a perfect low risk destination

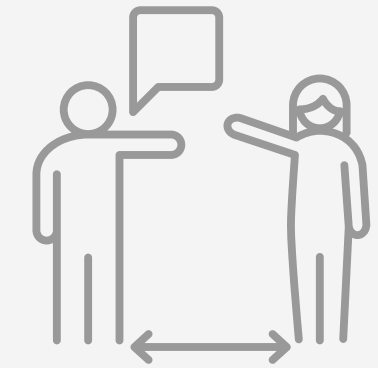

Daily cleaning of common areas, with more care on high volume surfaces

Multiple sanitization stations for guests and employees

Safety medical kit (masks, antiseptic etc.) is provided in reception area for guests

Printed health and safety reminders, adapted to NHSP Protocols, as well as signs and labels for social distancing, have been placed in common areas to help consolidate the "stay safe" message.

PROTECT YOURSELF

Protect yourself by **maintaining a distance of at least 1 meter (about 2 arms' length) from other people** who are not from your family (household) in both indoor and outdoor settings.

Cover your mouth and nose with a tissue or your elbow when you cough or sneeze. Throw the used tissue and then perform hand hygiene.

Avoid touching your eyes, nose and mouth with unwashed hands. Scrub and lather hands with soap and water for at least 20-40 seconds.

Please inform Marina or Vasiliki through viber or whatsapp to call a doctor and stay in your room. It is essential to immediately notify our team if you develop symptoms or obtain a positive COVID-19 test within 14 days after your departure.
